SUBJECT: AUSTRIA INCLINED TO SUPPORT U.S. CANDIDATE FOR
APPEALS TRIBUNAL

REF: STATE 18280

Poloff presented reftel to Georg Diwald, MFA Deputy Director for International Organizations, on February 24 and followed up on February 27. Diwald told Poloff Austria was inclined to support a U.S. candidate, though they were disappointed the other candidate had withdrawn. However, Diwald felt that a U.S. representation on the Appeals Tribunal was important, and said he would consult with Austria's UN delegation on the vote.
